SmartPricing CPQ For Borusan Automotive

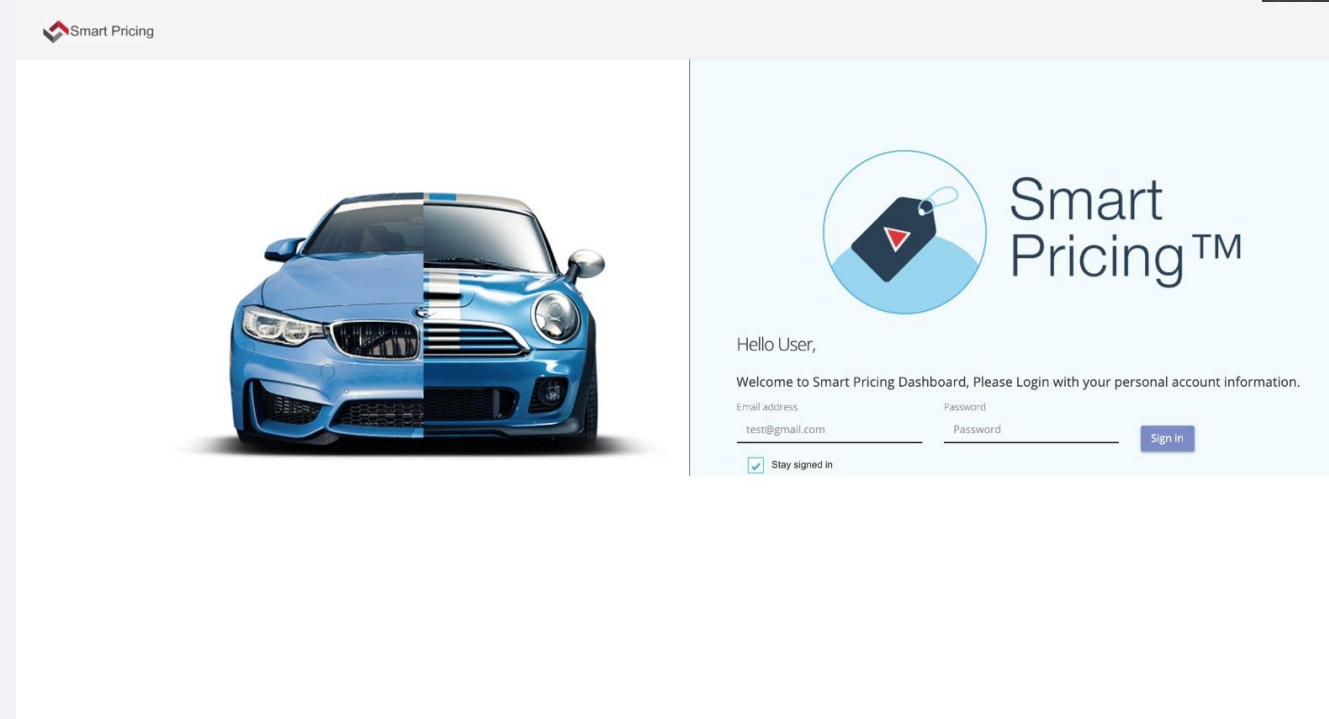

Highly advanced powerful CPQ application.
Focus industry is automotive but it is easily
configurable to other industries.

Production orders and cycles can be managed
completely by software and also advanced price
analysis can be done.

BMW AG is focusing this project for its unique
properties and functionalities as well as integration and
successful modelling structure that makes this unique
product one and only in the automobile industry.

The screenshot shows the 'Cost Overview' wizard in the Smart Pricing application. It is currently on 'Step 3' of a 5-step process. The table displays pricing details for three different package configurations: '7R3 + Single Package', 'Single Package + 7R3 + 912', and '7R3 + 9CX + Single Package'. Each configuration includes a 'Pure' base price and a 'Comfort' price with various options selected. The 'Option Profile' section at the bottom shows the total price for each configuration, including taxes and discounts.

Package	7R3 + Single Package	Single Package + 7R3 + 912	7R3 + 9CX + Single Package
Single Package	€772.00	€772.00	€772.00
7R3	€5,072.00	€5,072.00	€5,072.00
9CX			€2,205.00
912		€999.00	
976			
Option Profile	€4,829.60	€5,628.80	€6,373.10
Taxrate Estimation	%0	%0	%0
AVG Option Profile			
On Invoice	0	0	0
Credit Note	0	0	0

Reality Financial Project Management System

Reality has been developed in which companies can check their income and expense status and receive support in project management. It is a financial-based project.

The screenshot displays the Reality Financial Project Management System interface. At the top, there's a header bar with a blue gradient. Below it, a navigation bar contains several tabs: 'Project Name', 'Gider Tutarlar Gider Tutar', 'Gider Tutarlar Gider Tutar', 'Date', 'End Date', and a green 'Sort' button. The main content area is divided into three columns. The left column, titled 'INCOMES' in green, lists three income entries with their respective amounts (8.500€, 1.500€, 8.500€) and a total of 18.500€. The middle column, titled 'OUTGOINGS' in red, features a form for adding new outgoing transactions with fields for 'Gider Tutarı', 'Miktar', 'Bölüm', 'Proje No', 'Açıklama', 'Tarih', 'Bölüm', and 'Bölüm'. The right column, titled 'TEMEL GIDERLER' in red, lists four categories: 'RESOURCES' (120.000€), 'TAXES' (17.000€), 'RENTAL' (17.000€), and 'OTHER' (17.000€). A sidebar on the left contains a blue bar and a list of project names. A bottom bar shows the current date and time.
